

NOW THAT YOU KNOW, WHAT CAN YOU DO?

- TALK TO YOUR CHILDREN - maintain an open line of communication. If they slip and do something irresponsible don't excommunicate them; they won't share with you.
- Know who your children are engaged with online - encourage responsible relationship with technology.
- Be careful when allowing your children to go to the mall.
(NEVER ALONE)

NOW THAT YOU KNOW, WHAT CAN YOU DO?

- Know your children's friends and their parents.
- Know the coaches of the teams your children are on.
- When your children begin dating, get to know the person they are dating whether male or female.
- When your children begin driving, know their destination.
- Many children and youth will give indicators something is wrong; watch for the signs.
